4

Basic Junctions
including mini
RB/crossroads

MSPSL, LADA, Open/closed
junctions, Observations,
priorities, creep/peep

Reversing Skills
Emergency Stop

POM Routine , Observations,
demo of needed, ref points

Meeting/Crossing
Clearance
Anticipation

Mirrors, holdback position, less
space less speed, ref points,
scan and plan

Traffic lights
Pedestrian Crossings
Signs/Lines/Lanes

Light sequence, filter lights,
types of crossing, mirrors,

Town Centres
Hazard Perception

Road markings, Bus Lanes, Bike
lanes, vulnerable road users,
lane discipline, buses,box
junctions

Anticipation
Forward Planning
Defensive Driving

Use of mirrors/Scanning ahead,
prioritising hazards - link to
theory,safety bubble

Busy Roundabouts
Busy Junctions

LADA, Clock rule/
Lanes/Blockers/Priorities

Dual Carriageways

Joining/Leaving, signs,
breakdowns, following
distances/overtaking

MOCK TEST

40 - 60 hrs

DRIVING TEST
